<p>Communist propaganda never misses a chance to taunt with the extreme rightist Hungarian military leaders, who fled in 1945 with the German Army, and uses this fact as another propaganda device for its anti-American campaign:</p> <p>"The American imperialists dare speak of their willingness to cooperate and of friendship?... What they mean by friendship is to aid and abet murderers of the Hungarian workers, Nazi scoundrels like Ferenc K. Szarvasi-Parkas, to keep in arms terror-squads under the leadership of similar blackguards, to help the preparation of diabolical, bloody, adventurous plans of aggression levelled against Hungary." (Szabad Nep, August 10, 1951).</p>
